The *Important*

Automate The **Important**

Why is Automated Giving the easiest & most effective way to give electronically?

It's Easy to Set Up

Simply visit stjstl.net/give and create or log in to your SecureGive account.

It Fits You

You have control of the frequency of your giving. Set up your giving to be automatically deducted from your bank account or charged to your credit or debit card once a month, twice a month or each week.

It's Easy to Adjust

You may adjust your giving frequency, amount or payment method at any time by accessing your SecureGive account.

You Won't Forget

By automating your giving you are able to decide in advance to faithfully give back to God a portion of all He has given to you.
