Lean In • Step Up • Break Out

Make us a people of grace. Let this church be known by our love for one another and the community. Make us bold inviters and investors. Give us the courage to dig our roots deep into in to the good soil here. Give us courage to invest prayerfully, relationally, financially and emotionally here at St. John. Embolden our people to be culture changers in their schools, homes and workplaces. Give us the courage to preach, to go, to serve and to love all the world.* Help us to Lean In, Step Up and Break Out as we prayerfully consider the role you have for us. In Jesus, Amen.
